TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Greenland in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Greenland on Tuesday, the twelfth day of March next, at 10 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To choose Delegates to the National Convention.
4. To see what sum of money the town will raise and appropriate for repairs of highways and bridges.
5. To see if the town will vote to accept State Aid for construction of Class V roads and raise and appropriate the sum of \$85.70 for said purpose.
6. To see what sum the town will raise and appropriate for the support of the Weeks Public Library.
7. To see if the town will vote to raise and appropriate the sum of \$100.00 for the care of cemeteries.

8. To see if the town will vote to raise and appropriate the sum of \$125.00 for the care of parks.

9. To see if the town will vote to raise and appropriate the sum of \$50.00 for the issuance and distribution of printed matter and otherwise publicizing the resources and natural advantages of the town in cooperation with other towns coordinated in the Seacoast Regional Development Association.

10. To see if the town will vote to raise and appropriate the sum of \$50.00 for the purchase of forest-fire fighting equipment.

11. To see if the voters of the town will authorize the selectmen to borrow money on short-term notes in anticipation of taxes.

12. To see if the town will vote to suitably mark the Greenland-North Hampton town line in cooperation with the town of North Hampton, and to raise and appropriate the sum of \$40.00 for the same.

13. To see if the town will vote to petition the state tax commission to have an audit made by the municipal accounting division and to make an appropriation to cover the expense of such audit.

14. To see if the town will vote to raise and appropriate the sum of \$100.00 for the Veterans' Memorial Day exercises. (Inserted upon the petition of Arthur N. Gagnon and 9 others.)

15. To see if the town will vote to raise and appropriate the sum of \$300.00 for the purpose of installing sanitary toilets and water in the town hall. (Inserted upon the petition of Arthur N. Gagnon and 5 others.)

16. To see if the town will vote to authorize the selectmen to appoint a superintendent of public grounds whose duties will be to care for parks, cemeteries, town dump, etc. (Inserted upon the petition of Arthur N. Gagnon and 5 others.)

17. To see if the town will vote to raise and appropriate the sum of \$100.00 for the purpose of providing a town dump.

18. To transact any other business which may legally come before this meeting.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and forty.

ARTHUR J. SEWALL,
CLARENCE E. GOWEN,

LIBRARIAN'S REPORT

The following is the forty-third annual report of the
Weeks Library :

Accession number of volumes	9,509
Added by purchase	135
Added by gifts	3
Number discarded	21
Number removed from shelves	50
Number lost in circulation	5
New borrowers registered	60
Magazines subscribed for	4
Magazines presented	14
Circulation for the year	5,162
Fiction	4,527
Non-fiction	635
Juvenile	1,619
Largest daily circulation	78
Smallest daily circulation	10

The Library was not open on May 30 and July 4, but otherwise no time has been lost, so it has been open 102 afternoons and evenings. The number of patrons who have been supplied with books from the State Library and Public Library Commission has increased and anything that is wanted at anytime may be secured as it is available there. We have by no means books enough to satisfy the wants of the school children but as far as we can we give them books to help in their work.

Magazines have been given us regularly by Mrs. Borgan, Mrs. Miller, Mrs. Rolston, Mrs. Thompson and Mr. Fisher and we are very grateful to them. Thanks are also given to Mrs. Wilcox and Mr. Thomas Brackett for the books received from them.

Respectfully submitted,

LILLIAN A. ODELL,
Librarian.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Greenland, New Hampshire:

It gives me pleasure to submit to you my annual report as Superintendent of Schools, the eleventh in the series.

Since a year ago our enrollment in the lower grades has grown about thirty percent. The increase has come largely from new families, who, recognizing the many civic advantages and other attractions of Greenland, have moved here. It is our common privilege as teachers and school officials to add the blessing of well taught and well managed schools to the other attractions. Doubtless we may expect an even greater increase in the next few years and we should anticipate it. The two rooms occupied by grades one to four are well filled now.

In common with school districts everywhere in the United States, Greenland is called on to pay large sums annually for tuition in the high school grades. In the last thirty years high school enrollment in the country at large has increased more than twelve hundred percent; furthermore we can hardly expect immediate change in this matter, since laws are more and more limiting employment to those over eighteen years of age and the practice of apprenticeship has almost entirely disappeared. We must not leave our youth with idle hands and unoccupied minds; we are too well aware that most of our criminals begin their bad careers before they are of voting age. We can and should help them as much as possible by means of the high school.

In one financial respect, at least, Greenland is fortunate in that the last installment of debt and interest has been raised, thus reducing the budget for the school year 1940-1941 by more than \$1,000.

Since the last annual report Greenland's equalized valuation has increased by \$39,000 (see Table V). This will mean that in a year or two a change will come in the amount of state aid due the district.

It is a great pleasure to record the fact that the water supply provided by you since a year ago is not only of excellent quality but apparently of unlimited quantity. The worth of such a provision now and in the years to come not only in the matter of health and sanitation but in fire protection, as well, can hardly be estimated. It would make for the comfort and enjoyment of our playground by pupils and by young men and women in their athletic activities if an outdoor drinking fountain could be provided.

Greenland is fortunate in having a school building that is a real community center. Its plan of structure, location and general convenience all help to make it so and it seems to serve equally well both for school purposes and for its use by adult organizations. Its constant use, however, involves special consideration.

I believe that the building would function more efficiently and satisfactorily if we could do away with soft coal as a fuel and substitute oil. Many hours a year have to be spent on ashes and stoking which, with oil as a fuel, could be spent on cleaning and repairs. It is probable that a much pleasanter and more habitable building could be maintained with a considerable reduction of time spent in maintenance and a corresponding reduction in cost. Other schools in this neighborhood have found such a plan a wise one.

I have no reservation in commending all our teachers and the school nurse for faithful, practical and efficient everyday work. They and the superintendent know, I think, where the weak parts of the school procedures are and try individually and collectively to strengthen the weak places.

The notices of failed courses which come to us from junior or senior high school students are very, very few indeed—a very small fraction of one percent—and then often explainable by illness.

In the cooperative enterprise of providing schools, you and all interested parents and friends share. The continued success of those immediately concerned with the school's daily business depends largely on continuance of such cooperation. With it we go on to the even better and more worthy attainments. And for it we are profoundly grateful.

Respectfully submitted,

CLIFTON A. TOWLE,

Superintendent of Supervisory Union No. 16

Exeter, New Hampshire, February 9, 1940.

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools and the School Board,
Greenland, New Hampshire:

Following are the health activities in the Greenland schools from Jan. 1st, 1939 to Jan. 1st, 1940:

No. of pupils examined for physical defects	112
Pupils found to have defective vision	9
Pupils found to have defective tonsils	4
Pupils found to have defective teeth	81
Pupils who had vision corrected	7
Pupils who had dental treatment	68
Pupils who had tonsilectomies	3
Pupils were weighed and measured in fall, spring and winter terms.	
Total number of visits to school	43

All Pupils are vaccinated.

A large dental clinic was held.

Two visits were made to the Speech Clinic held in Manchester.

Under the supervision of our dietitian, Miss Thaxter, we now have hot lunches in the school. There were sixty children eating cold lunches in the school before we began selling the hot lunch, at the price of three cents, to the children. Most of these children buy the hot lunch and I'm sure that we will be rewarded, in better health conditions, for our efforts. Miss Thaxter is being paid by the Red Cross, Grange, Woman's Alliance Club and the Young Men's Club.

I take this opportunity to thank the Superintendent of Schools, Mr. Towle, School Board, Teachers and each of the above clubs mentioned for their cooperation and wonderful help.

Respectfully submitted,

ELOISE B. SHEEHY, R. N.
